An Evening with a Dream: Loison's heart and taste

*The 7th edition of the charity event “Serata con un Sogno” (An Evening with a Dream) took place at **Cantina Fasoli** in Colognola ai Colli. **Loison's confections** were there: **Veneziane**, **Panettoni with Calabrian Fig** and **butter cookies**, for over 350 guests. *Because life is sweet when we give others a little flavor.**

On June 7, 2014, the traditional “**Serata con un Sogno**” (An Evening with a Dream) organized by the [Fondazione Più di un Sogno](#) (a non-profit foundation) took place at [Cantina Fasoli](#) Gino, a winery in Colognola ai Colli (VR).

Created seven years ago by friends of the Foundation, the event is an important opportunity to raise funds to support activities for people with **intellectual disabilities and Down's syndrome**: the funds raised, in fact, support the institutional activities assisting 90 individuals and families at health centers in Zevio, Verona and Valeggio sul Mincio.

As usual, **Dario Loison** took part in this initiative together with his loyal coworkers who portioned and handed out more than 12 kg of superb [Veneziane](#)– sweet breads - along with 6 kg of **Panettone cakes with Calabrian Fig** and 2,000 delicious **butter pastries** for the 350 guests who attended the event.

Life is sweet if we give others a little flavor!!!
