LOVEY DOVEY

We were very taken with a traditional Italian Easter cake, known as **La Colomba** (Easter dove, in English), recently. Resembling panettone but with the addition of candied orange peel and raisins, this moreish dessert has been brought to Ireland from Italian bakery, Loison, by Del Gusto, who specialise in Italian artisan food. Ideal with a hot drop, this Italian stunner would round off Easter dinner nicely. Available from Avoca, Dunnes Stores, Cavistons and Mortons of Galway.
