## WE'RE GIVING:

One of **NEPTUNE's** chic glass vases, filling it with Neptune's own silk blooms (inspired by the oriental garden Karl Lagerfeld created for the Chanel AW16 show). Other fabulous florals? **LOISON's** beautifully wrapped Italian Easter cakes. We like the divine Peach Colomba with orange peel and almond, in its pretty pink packaging. Available at Dunnes Stores, Avoca and Cavistons.
